HAKKIMIZDA • ABOUT US

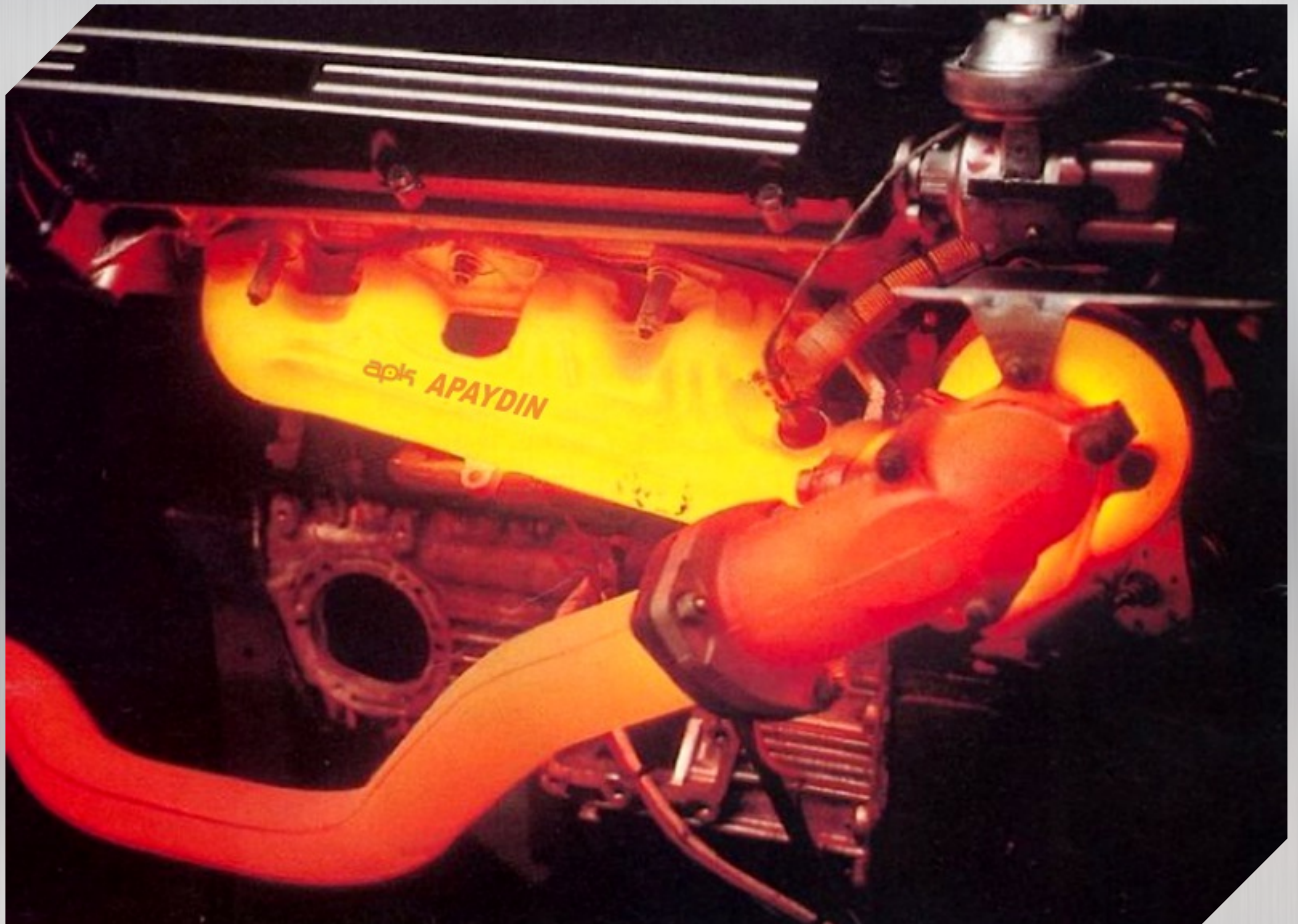

Firmamız "Apaydın Kardeşler", 2005 yılında Durmuş Ali ve Ali Apaydın tarafından kuruldu. Üretim konusu olarak hedeflenen; kamyon, kamyonet, otomobil, otobüs, iş makinesi için hassas yedek parça ve eksoz manifoldları üretiminde oluşturduğumuz pazara zamanında cevap veren bir kapasiteye ulaştık. Türkiye pazarında kalite ve fiyat politikaları ile iddialı olan Apaydın Kardeşler, ilk ihracatını da kuruluş yılında yapmıştır.

Şirketimiz her zaman daha iyisini yapmak felsefesi ile "Manifold'da A kalite" ilkesini "Apaydın Kardeşler" in slogan haline getirmiş ve ulaştığımız her noktada saygın bir yer edinmiştir.

APAYDIN KARDEŞLER was founded in 2005 by Durmuş Ali and Ali Apaydın.

It started its activities in a small workshop producing vehicle exhaust gas manifolds and precision spare parts for trucks, vans, cars, buses, construction machinery. Apaydın the Brotherhood challenges in the Turkey market with quality and price policies and has made export in the establishment year.

Our company always aims to do better, so we put this expression as our motto. "A Quality in Manifold"
